Your Fairy Princess Flowergirl Dresses can be made 2, 4, 6, 8 or 10 inches wider than these basic measurements with regard to length. Order by age indicating extra width required, for example 6 yrs + 6". If you need the dress narrower please order by age for length & width e.g. Age 8 length + age 6 width.

Fairy Princess Flowergirl Dresses should be 2" off the floor, so be sure to measure with the shoes they will be wearing or allow for the difference especially if wearing a little heel.
